Fontanini

For nearly one hundred years Fontanini's marvelous hand carved figures have been crafted in Bagni di Lucca, a charming Italian village nestled in the hills of Tuscany. Skilled artisans from the village and surrounding countryside paint and finish the intricate figures. Many of these artisans belong to families who have been employed by Fontanini for decades, using specialized techniques that have been passed down through the generations. Honoring its century-old legacy, the House of Fontanini continues to bring the Italian tradition into homes all over the world.

<p>Footprints</p> <p>One step a man has a dream - the next morning along the beach with the Lord, and within the day, he found a man from his life in each corner, he walked two sets of footprints to the point you made it his, and the other by the Lord.</p> <p>"When the day came to see the doctor's office, he was found at the hospital in the ward, and within that time, along the path of his life, there was only one set of footprints. He said, "I never saw a footprint of the Lord from that day on."</p> <p>"The pastor said, "on the point the Lord said it "Lord, you said the Lord said it, but you said it with the Lord of the day." And I'm certain that during that of which there is only one set of footprints, I don't understand why You left the when I needed the Lord."</p> <p>"The Lord replied, "My precious child, I don't see and would never leave you, during your time of trouble, where you can only see out of hopelessness, I was carrying you."</p>	<p>God hath not promised shiny always blue, Flower-strewn pathways all our lives through; God hath not promised you without pain, Joy without sorrow, peace without pain.</p> <p>But God hath promised strength for the day, Rest for the labor, light for the way, Grace for the trial, help from above, Unfailing sympathy -- unfading love.</p>	<p>Comfort</p> <p>There is a time of strength For you and me; In that which we will feel And in the sea. Of justice in the rocks In our mind. The storm may come to us But in the light We have upon that faith God will come near. We are a human light. It is the dawn.</p>	<p>Comfort</p> <p>In everybody's garden A little rain must fall On life's sweetest fairest flowers, Wouldn't grow and bloom at all. And though the clouds hang heavy So heavy, Oh! My friend, I'm sure that God who sends the showers Will send the rainbow's end.</p>	<p>COMFORT</p> <p>Oh, down and they are laid down When lives a peaceful sleep long; The Power who gives rest has shown A blessing for the eyes that weep. The light of smiles shall fill again The lips that smile with tears; And every hour of we and pain Has promises of happier years. For God has waited each morning day And numbered every sorrow tear, And heaven's long eye of blue shall say For all his children suffer here.</p>	<p>We wish to express our appreciation of your confidence and sincere hope that our service has been in every way satisfactory to you.</p> <p>Most Respectfully,</p>
